## FOR IMMEDIATE RELEASE

### Ascensus Global, Inc. Launches New Brand Identity and Website to Reflect Growth and Enhanced Capabilities

**HAGERSTOWN, MD | June 6, 2025** — Ascensus Global, Inc., formerly known as MultiLingual Solutions, Inc., is proud to announce the official launch of its new corporate identity and website at [www.AscensusGlobalinc.com](http://www.AscensusGlobalinc.com). This rebrand marks a major milestone in the company's evolution and reaffirms its commitment to delivering high-impact language, analysis, and training solutions worldwide.

Founded in 2001, the company has built a strong reputation for excellence in both government and commercial sectors, serving clients ranging from the U.S. Department of Defense and the Intelligence Community to Fortune 500 companies, civilian government, law firms, retail leaders and nonprofit organizations. The new brand, Ascensus Global, better reflects the company's expanded capabilities, global reach, and continued mission to help clients succeed in complex, multilingual, and high-stakes environments.
