Ascensus Global, Inc. (AGI)—established in 2001 as MultiLingual Solutions, Inc.—is an SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) with a TS Facility Clearance and a strong reputation for delivering mission-critical support. Through our Government Solutions Division (GSD), AGI is a trusted partner to the Department of Defense, Intelligence Community, and federal law enforcement, providing a full spectrum of language, training, and analysis services. Our analysis capabilities span multiple intelligence domains and are backed by over two decades of experience supporting operations in both classified and unclassified environments. We deliver tailored solutions that integrate proven methodologies, advanced tools, and cleared and uncleared personnel to support data collection, operational assessments, reporting and the production of actionable intelligence—empowering decision-makers at every level with the information they need to act with confidence. In addition, we leverage our expert course development resources, 20+ years of experience, and network of subject matter experts to develop and implement targeted analyst training in support of government initiatives.
