Ascensus Global, Inc. (AGI)—established in 2001 as MultiLingual Solutions, Inc.—is an SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) with a TS Facility Clearance and a proven record of delivering impactful language solutions worldwide. AGI provides a comprehensive suite of language services in over 100 languages, leveraging best practices from both government and commercial sectors to help clients achieve mission and business objectives. Our Government Solutions Division (GSD) supports the Department of Defense (DoD), Intelligence Community (IC), and law enforcement with mission-critical language, analysis, and training services. Our Business Solutions Division (BSD) serves Fortune 500 companies, civilian government, and private sector leaders in verticals such as law, marketing and public relations, human resources, and international business. Whether the goal is to interpret evolving national security threats, support global expansion, onboard a multilingual workforce, resolve cross-border litigation, or craft multilingual marketing and public information campaigns, AGI mobilizes the right resources, tools, and expertise to drive results.

#### WHY CHOOSE ASCENSUS GLOBAL?

- **Expert Cleared and Uncleared Resources.** We deploy top-tier linguists, analysts, and training professionals, including fully cleared personnel, to support on-site and remote operations worldwide.
- **Comprehensive Program Management Expertise:** We bring proven program and project management capabilities, optimizing mission readiness, staffing, and workflow efficiency for complex defense and intelligence programs.
- **Worldwide, Agile Support:** With a vast network of high-level professionals, we rapidly mobilize teams across the U.S. and around the globe to provide real-time, secure, and scalable support.
- **ISO-Certified Quality Workflows.** Our ISO 9001:2015 and ISO 17100:2015 certifications attest to our rigorous quality management processes, ensuring precision, accountability, and excellence in every engagement.
- **CMMC-Compliant Infrastructure.** We leverage a Cybersecurity Maturity Model Certification (CMMC) Level 1-compliant infrastructure to ensure the highest level of information security, including for unclassified, Controlled Unclassified Information (CUI) and Law Enforcement Sensitive (LES) information.
