Ascensus Global, Inc. (AGI) is an SBA-certified SDVOSB with a TS Facility Clearance, known for delivering high-impact, customized training solutions that drive real-world results. Backed by decades of experience and grounded in proven instructional design, we blend innovation with expertise to meet the evolving needs of our clients. Our team of expert curriculum developers and instructors collaborates closely with organizations to create tailored programs aligned with specific operational and strategic goals. We leverage Instructional Systems Design (ISD) principles and a student-centered, task-oriented methodology to ensure learners acquire the skills essential for on-the-job performance—both in the U.S. and internationally. AGI offers flexible delivery options, including in-person, virtual, full-time, part-time, and small-group instruction, supported by cutting-edge tools and platforms. Whether you require advanced language instruction, pre-deployment cultural readiness, or professional skills development, AGI delivers adaptive, forward-thinking training that empowers your team to excel.

AGI's **Professional Skills Training** boosts individual and organizational performance through tailored instruction on topics such as leadership, planning, negotiation, conflict resolution, communication, and time management. Our **STAR Training** goes a step further to combine language and cultural instruction with practical skills for specific roles, using real-world exercises, job tasks, and client materials. Effective across sectors, examples of our STAR training has included courses as diverse as interpretation fundamentals for military linguists supporting partner engagements, ESL training for foreign pilots, Spanish fundamentals for emergency response personnel, and cultural training for customer service personnel in the construction industry.

WHY CHOOSE ASCENSUS GLOBAL?

- **Expert Faculty and Instructional Design:** Our programs are designed and delivered by experienced curriculum developers, seasoned instructors, and industry subject matter experts—ensuring content is both academically sound and tailored to real-world job requirements.
- **Proven Program Management Expertise.** With decades of experience across public and private sectors, our training managers ensure on-point development, optimized staffing, and seamless delivery aligned with each client's unique goals and operational environment.
- **Flexible, Rapid Response Capability.** We offer agile training delivery through Mobile Training Teams, virtual platforms, and hybrid models—allowing us to respond quickly and adapt to evolving customer needs across a wide range of disciplines and settings.
- **ISO-Certified Quality Management.** Our ISO 9001:2015 certification demonstrates our commitment to rigorous quality management, delivering reliable, high-quality training experiences across a wide range of industries and sectors.
- **Integrated Learning Management System (LMS).** Our interactive LMS supports flexible access to course materials, real-time collaboration, and direct communication with instructors and project managers, enhancing the learning experience for both in-person and virtual participants.
- **Global, Scalable Support.** With a vast network of expert instructors, SMEs, and academic partners in over 70 countries and proficiency in more than 100 languages, we deliver high impact, scalable training solutions wherever and whenever our clients need them.
